Materials, services or products offered by providers to SBDC clients are available as a resource for you to locate professionals who can assist you with business concerns. Making these sources available to you does not imply or constitute a recommendation or endorsement by the SBDC, but is only intended to be a convenience for you. You must perform your "due diligence" by interviewing the individuals or companies to determine if they meet your needs. If you do retain their services, be sure to obtain your agreement in writing: who is responsible for what; what work is to be performed; what is not included; what is the cost.
